## Professional Summary

I am a passionate and detail-oriented web designer with three years of experience in creating visually appealing and user-friendly websites. Specializing in UI/UX, Shopify, and Wix design, I have successfully built and enhanced digital experiences for various clients. With a strong foundation in HTML and CSS, I blend creativity with technical skills to craft engaging websites that align with brand identities and user needs. I am committed to delivering high-quality designs that drive conversions and improve user engagement. My work on platforms like Freelancer.com and Upwork has equipped me with the ability to manage projects efficiently and collaborate with diverse clients.
